

SCHOOL FOR INTEGRATED ACADEMICS AND TECHNOLOGIES

Management of SIATech Academy South's Assets Accounts

In order to oversee School for Integrated Academics and Technologies' ("SIATech Academy South") financial integrity, the Board of Directors ("Board") desires to have a clear picture of the charter school's current financial condition readily available at all times. Audits and quality control reviews shall be conducted in accordance with applicable law.

The Superintendent/CEO or designee shall ensure that SIATech Academy South's accounting system provides ongoing internal controls and a means of ascertaining whether the charter school's income and expenditures are in keeping with the adopted budget.

The Board recognizes the importance of accurately identifying and valuing the charter school's assets in order to help ensure financial accountability and to minimize the risk of loss or misuse. SIATech Academy South's assets with a useful life of more than one (1) year and an initial acquisition cost of \$1,000.00 or more shall be considered capital assets.

The Superintendent/CEO or designee shall determine the estimated useful life of each capital asset and shall calculate and report the estimated loss of value, or depreciation, during each accounting period for all capital assets.

(Refer to A.P.3440.)
