

**School-Sponsored and Non-Sponsored SIATECH ACADEMY SOUTH POLICY NO. 6102  
Trips**

**SCHOOL FOR INTEGRATED ACADEMICS AND TECHNOLOGIES**

The Board of Directors (“Board”) recognizes that school-sponsored trips are important components of a student’s development and contribute toward fulfillment of School for Integrated Academics and Technologies (“SIATech Academy South”) mission to educate all learners to be thinking citizens in a global society. In addition to supplementing and enriching classroom-learning experiences, such trips encourage new interests among students, make them more aware of community resources, and help them relate their school experiences to real-world experiences.

The Board recognizes that co-curricular and extracurricular activities enrich the educational and social development of students. SIATech Academy South shall encourage and support student participation in extra/co-curricular activities without compromising the integrity and purpose of the educational program. The Board believes that careful planning greatly enhances the value and safety of such trips.
