July 4, 2014

Ms. Kristin L. Mallory
Associate Superintendent
SIATech (School for Integrated Academics and Technologies, Inc.)
2611 Temple Heights Dr., Suite A
Oceanside, CA 92056

Dear Ms. Mallory:

The Accrediting Commission for Schools, Western Association of Schools and Colleges announces the action taken to grant accreditation to SIATech (School for Integrated Academics and Technologies, Inc.) through June 30, 2020.

This action was taken after a careful study of the Visiting Committee Report, which noted many excellent aspects of the school. The Commission is confident the school will continue to focus on school improvement as the critical areas for follow-up are addressed within the action plan. Schools are required to submit a progress report at the end of the third year of the current six-year accreditation cycle. The progress report should demonstrate that the school has:

- Addressed the critical areas for follow-up through implementation of the schoolwide action plan
- Improved student achievement relative to the schoolwide learner outcomes and the academic standards.

Please be reminded, accredited schools are to annually contribute members from the school staff or district to participate on visiting committees.

Please accept our congratulations on the quality of instruction being offered in your school and your commitment to school improvement.

Sincerely,

Valene Staley, Ed.D.
Commission Chairperson
