Goals

1

High-Quality, Equitable Instruction

Provide **high-quality instruction, equity-focused, student-centered learning** through a culturally relevant curriculum.

2

CTE Program Plan

Develop and implement a plan to improve **SIATech's CTE program** for all students.

3

Trauma-Informed and SEL Practices

Develop and implement policies and practices to ensure SIATech serves as a trauma-informed system with teachers and leaders skilled at **meeting the social and emotional needs of all SIATech students.**

About the LCAP

The Local Control and Accountability Plan (LCAP) outlines what we will do to help our students succeed and how we will measure if those actions are working. It explains how our district will direct resources to benefit all of our students.

Goal Highlights

1 High-Quality, Equitable Instruction

- Edgenuity curriculum
- EDGE curriculum for EL students
- Accelerated Learning Sessions

The SIATech Way

Multi-Tiered System of Supports for Student Success.

Portrait of a Graduate

Skills and traits for college and career readiness.

PLC Implementation

Building a culture of collaboration to improve student learning.

STUDENTS

"I love the support this school gives you. They try their very hardest to make sure we succeed."

STAFF

"Amazing group of teachers who work tirelessly to provide positive educational experiences/activities for students."

2 CTE Program Plan

- New CTE graduation requirements
- Highly-qualified CTE instructors
- Certifications and apprenticeships
- College visits and field trips
- Pre-apprenticeship program partnerships

22 Red Cross Certifications Completed

STAFF

"It is common to hear a student inquire about their next steps after they have discovered a career interest. These life-planning conversations are exciting for both students and teachers."

Paxton Patterson Career Exploration Labs

Highly-engaging, hands-on, career-focused, learning experiences to guide students toward the next step in their learning journey.

"Opportunity to make meaningful contribution to success of students' journey in exploring college and careers by teaching them CTE courses."

3 Trauma-Informed and SEL Practices

- Mentor Teachers
- Staff professional learning
- New SEL graduation requirement
- Wellness & Community School Coordinators
- Student Wellness areas

Panorama SEL Surveys

74%

Students feel they have supportive relationships with friends, family, and adults at school.

78%

Students feel they have physical and psychological safety at school.

STAFF

"As soon as you walk in, you know you are welcomed. Our school is lively and cheerful and so is the staff. Many [students] have confided to me that this is their "safe space".

"I love seeing our students thrive academically, socially and emotionally."

Looking Ahead

Accelerated Learning Sessions

Interactive learning experiences that help students acquire knowledge and essential skills quickly.

CTE Advisory Board

Parents, educators, and professionals ensuring students are prepared for the world of work

Community Engagement Opportunities

Student, parent, and staff participation through surveys, meetings, and committees.
